

Micromedex Drug Interactions

1. Download Micromedex Drug Interactions from the App Store or Google Play Store. Links to these can be found by navigating to the CIAP website at www.ciap.health.nsw.gov.au and selecting 'Mobile' from the top menu.
2. Get the app password by visiting the Micromedex website, clicking 'Download Mobile Apps' and scrolling to the Micromedex Drug Interactions app section of the screen. Note down the password displayed in bold.
3. Open the app on your device and when prompted, enter the password and select 'Continue'.
4. The app is now ready to use.

Renewal

Your Micromedex Drug Interactions app requires renewal on an annual basis.

To renew your account, simply follow steps 2 and 3 to retrieve and enter the app password from the Micromedex website when prompted to renew. You will receive a reminder prompt from the app when renewal is required.

3. 
4. 

The Micromedex Drug Interactions app provides a comprehensive database of drug interactions and provides ratings on their severity. It provides insight into why the drugs interact, how the interaction presents in the patient and recommendations for monitoring patient outcomes.

You can find it on CIAP
www.ciap.health.nsw.gov.au
