

PEMSoft Mobile

1. Download PEMSoft Mobile from the App Store or Google Play Store. Links to these can be found by navigating to the CIAP website at www.ciap.health.nsw.gov.au and selecting 'Mobile' from the top menu.
2. Get the user account details from the 'PEMSoft User Account Details' button on the Mobile page on CIAP.
3. Open the app on your device and when prompted, enter the details to login.
4. The app is now ready to use.

Renewal

Your PEMSoft Mobile app does not need renewing after you use the login details to access all the content.

The PEMSoft (Paediatric Emergency Medicine Software) Mobile app provides clinical information specifically for clinicians who treat children. It includes information monographs, graphics and videos.

You can find it on CIAP
